2. Camp Activities/Photo Usage/Behaviour & Sickness

- a. By registering a person, I agree to him/her participating in all supervised activities.
- b. I acknowledge there is an inherent risk within activities undertaken as part of the camp. In the event of an accident or illness, and where it is impracticable to communicate with me (the registered person's parent or guardian), I authorise the Camp Director to consent to the person registered receiving any medical or surgical treatment as may be deemed necessary by a licensed physician and/or surgeon. I authorise the Camp Director to engage in such treatment and I agree to pay the appropriate fees for such service and treatment.
- c. I agree to meet the expense of the registered person being returned home if I am unable to collect him/her personally, including any costs for Children's, Youth and Families Staff or leaders to accompany him/her home and then rejoin the group. I understand that such an arrangement may be necessary due to illness, injury, or if, in the view of the Children's, Youth and Families Staff, the registered person exhibits non-cooperation or anti-social behaviour of any description, or inability to meet the rigours and requirements of the camp activities. The Children's, Youth and Families Staff will make every reasonable effort to communicate with me concerning any such behaviour or circumstances.
- d. By registering a person on this Christ Church camp, I agree to the use of any photos or video footage of that person in accordance with the Christ Church St Ives Social Contact Policy, including any permissions given or refused.
