

Bible Reading Plan - Galatians (yay!)

Hey guys! One of the really cool things about being a Christian is that we can read God's word. The Bible says that it is literally the very words of God (2 Timothy 3:16-17)! We believe that reading the Bible is super important in our relationship with God. We have put together a Bible Reading plan which you guys can follow each day to be learning more about God, what he has done for us and how we should live our lives each day for him. If you miss a day, don't worry! Just pick it up where you left off.

To start with, we're going to look at the book of Galatians. It was written by a guy called Paul (who used to be called Saul) whose job used to be to seek out Christians and put them in prison or even kill them. But one day, Jesus appeared to him. Paul started following Jesus and told so many other people to follow him as well. In this book, he is writing to the Christians in a place called Galatia. We'll also spend a bit of time over Easter looking at Jesus' death and resurrection as we celebrate how we are offered salvation through him. It is such an awesome and gracious gift from God! It is good to remind ourselves through reading the Bible how massive the cost was for our salvation.

Some helpful things to think about while reading the Bible are:

- What is the main idea in this passage?
- What does it teach me about humanity? What does it teach me about God/Jesus?
- How can I apply this to my life now? How does this help me to follow Jesus?

There are also some calendars with the passages for each day if you find those helpful!
