Bible Reading Plan - Ephesians (yay!)

Hey guys! One of the really cool things about being a Christian is that we can read God's word. The Bible says that it is literally the very words of God (2 Timothy 3:16-17)! We believe that reading the Bible is super important in our relationship with God. We have put together a Bible Reading plan which you guys can follow each day to be learning more about God, what he has done for us and how we should live our lives each day for him. If you miss a day, don't worry! Just pick it up where you left off.

Last month we had a look at the book of Galatians, as well as celebrated Jesus' death and resurrection at Easter. Now we're looking at the book of Ephesians which comes after Galatians. It is also written by Paul to the Christians in a place called Ephesus. If you have questions about any of the passages, why not ask your leader!

Some helpful things to think about while reading the Bible are:

- What is the main idea in this passage?
- What does it teach me about humanity? What does it teach me about God/Jesus?
- How can I apply this to my life now? How does this help me to follow Jesus?

There are also some calendars with the passages for each day if you find those helpful!
