

Bible Reading Plan - Philippians (yay!)

Hey guys! One of the really cool things about being a Christian is that we can read God's word. The Bible says that it is literally the very words of God (2 Timothy 3:16-17)! We believe that reading the Bible is super important in our relationship with God. We have put together a Bible Reading plan which you guys can follow each day to be learning more about God, what he has done for us and how we should live our lives each day for him.

This reading plan is going to look at the book of Philippians. It was written by Paul and Timothy. In this book, they are writing to the Christians in a place called Philippi.

Here are 5 helpful questions to think about when reading the Bible:

1. What is the author saying in this passage to the original readers?
2. What is one thing this passage teaches me about God?
3. What is one thing this passage teaches me about myself?
4. What is one way this passage shapes my head/heart/hands (thoughts/feelings/actions)?
5. Who is the one person that I can share this message with?

If you miss a day, don't worry! Just pick it up where you left off.
